## ROBINSON SETS CRIMINAL CASES

ANOTHER MURDER TRIAL FOR THIS TERM—MEHEULA'S TRIAL NEXT TERM.

Judge Robinson this morning set another of the many murder cases awaiting trial here for the present term. This is the case of the Territory against Kanisiro, murder in the first degree. It is nearly a year old, and two witnesses have been in jail since last May, waiting for the case to come on. J. W. Cathcart appears for the defense.

Cathcart wanted the case to go over for another term, as he has a case at the Kauai term next week. He also thought the case would be too long to be finished this term. Attorney General Andrews said it would only take two or three days, and Judge Robinson set it for the twentieth of this month.

The case of the Territory against P. J. Testa, criminal libel, was set to follow the trial of Mossman, now in progress. It was announced that T. McCants Stewart has withdrawn from the defense, but that E. C. Long remains defendant's counsel.

The case of S. Meheula, former clerk of the House of Representatives, charged with gross cheat, was postponed for the term, owing to the witnesses being scattered all over the Territory. The witnesses are the members of the last House of Representatives, and they will all have to gather here again for the trial. The same disposition was made of the case of S. Mahaulu, former chief clerk of the land office, charged with embezzlement. The cases of E. Vivian Richardson, embezzlement, were passed for argument of legal questions which have been raised.

## BRITISH WARSHIP GOING TO HONGKONG

BONAVENTURE ARRIVES FROM ESQUIMAULT EN ROUTE TO JOIN THE CHINA FLEET.

The British cruiser Bonaventure arrived unexpectedly this morning from Esquimault en route to the Asiatic station. The vessel left Esquimault March 4. She had pleasant weather until four days ago when she began to buck strong southwest winds. Nothing was sighted during the trip.

The vessel entered the harbor this morning and anchored in the stream. She will begin to take 350 tons of coal tomorrow and sail on Saturday for Hongkong. She has been ordered out to relieve the cruiser Thetis of the Asiatic fleet. The Bonaventure is a second-class cruiser of 4,500 tons register and 7,000 indicated horsepower. She was built in 1892 and her speed is 13.5 knots. Previous to coming to this port the vessel was on the North Pacific station where she went to relieve the cruiser Amphion.

As soon as the vessel was moored, Captain Niblack of the Naval Station paid an official call on the vessel. British Consul Layard and George F. Davies paid official calls on the vessel also.

The officers of the vessel are: Captain, H. H. Vorlesse, Lieut. Garforth, Engr. Commander, Meadows, Chaplain Anderson, Paymaster Ling, Fleet Surgeon Hewitt.

## HELD CONFERENCE

There was a conference this morning between High Sheriff Henry, Captain Callund, Detective Reynolds and Deputy High Sheriff Rawlins. High Sheriff Henry said that it was simply a gathering at which the evidence in the Stanford case was turned over to the San Francisco authorities. The High Sheriff has about decided that it will not be necessary for Rawlins to make the trip to San Francisco in connection with the Stanford case.

## FULLERTON DECISION.

The Supreme Court gave a decision this morning in the case of the Territory against James E. Fullerton, appealed from Judge De Bolt's order denying a plea in bar and motion to quash. The main ground of appeal was that a nolle prosequi was a "bar to subsequent prosecution for the same offense. The court affirms Judge De Bolt. The decision says that the Grand Jury had a right to indict again after a nolle prosequi but that "the course may become vexatious and should not be followed except for good reasons. It may be, and we are inclined to think, that such a course, at least to the extent it was carried in this instance, should not have been taken, but the exceptions cannot be sustained for that reason."
